Winning The Dating Game

CHAPTER 1 – INTRODUCTION

Women have, over the years, gotten more and more independent.

Gone are the days where they have no say about issues that directly affect them, like whom to date or marry or whether to go to school or not.

The days of arranged marriages are forever gone in most societies - Even in societies where it still holds the women's resistance to arranged marriage is hugely increasing daily, as they are getting more aware.

As more women become independent, successful and enlightened, some men find it difficult to seek the affection or love of the woman they desire. As suggested in the name "woman", a woman should be wooed and a man should be seduced.

Wooing is one of the jobs that a man must do at least once in his lifetime. A man that does not want to do this job should not expect to be loved or be in a romantic relationship with a woman.

Winning The Dating Game

Strategizing is a good way of getting a desired outcome, and seeking the affection or love of a woman is no different, because with proper strategy and careful planning you can effortlessly melt the heart of the hardest woman.

Many men have the thinking that simply by showering a woman of their dreams with gifts is all it takes but unfortunately, it takes more than that - A woman wants to be appreciated and loved for who she is not for what you can get from her.

Every man wants to know the secret of attracting women. Most men make it harder than it is when it is not!

Every day, I hear men complain about how complicated women are. The fact is that not all women are complicated; these men are just making a mountain out of a molehill!

In this "Winning The Dating Game" guide, you will discover the different kinds of women there are out there, along with exactly what they want. By knowing what a woman want, it will help you to be able to better plan and strategize on how best you can attract them.

Winning The Dating Game

You will discover everything you need to successfully woo the woman of your dreams in this guide.

Without further ado, let's get started!
