Gymnopedie No. 2 for Piano and Flute

Composed in 1888 by Erik Satie, the Gymnopedies are considered with their atmospheric mood a very important inspiration to modern ambient music. Dedicated to Conrad Satie it embodies the spirit of French impressionism and has been featured in many film sound tracks like Louis Malle's film *My Dinner with Andre* and *The Fire Within* by the same director. Satie was inspired by reading Gustave Flaubert's novel *Salammbô* and the composers first attempt at cutting himself loose from the conventional 19th century salon music.
