Date: Tuesday, September 24.
Dear Friend,

Over the last few years the Amazon Kindle has exponentially grown both in sales and in fame. Many e-readers have followed in their footsteps but nothing has been quite as popular

With the release of the Kindle Fire in 2012 there has been a MASSIVE surge in growth of Kindle users and it's only going to get bigger in 2013. And this has lead to...

Kindle Being A Goldmine For People Who Are Looking To Take Advantage Of Amazon And Make A Whole Heap Of Passive Income Doing It!

The problem with this however has been the thought of "self publishing a book"

Let's face it...We are not all born writers, we do not all have creative juices flowing from our brain and landing onto the page

To be honest the thought of "publishing a book" is ver daunting and enough to put even the most strong willed person out there off doing it

With that in mind it poses the question...

There Must Be An Easy Way To Do It?

Well now there is...
