

# Hello My Name Is: A Son or Daughter of GOD

---

That's who you are. That's how the enemies see you. Yet, the enemies try to deceive, torture, and trap you. Why you ask? It's because they want you stay ignorant in whom we are. They want you to be ignorant of what you can do. They want to destroy you by making you destroy yourself. They want you to destroy others if possible. We are a big threat to the enemies when we can see the Truth. But, we are weak when we are blinded with their lies. That's the main reason why believers and followers are often attack in the spiritual realm. We are GOD's pride and joy. We are the number one target to the enemies, because the enemies hate our Father GOD and our teacher, brother, and savior Jesus Christ. Isn't it wrong to call yourself a son or daughter of GOD? Isn't that blasphemy? No it's not. Its blasphemy when you say you are GOD or the Great I AM various names. No one will ever replace The Creator of all things. No one can replace Jesus also. But, how can we say that? Do you have proof? Yes. I have proof. In the book of Genesis 2:7 it talks about the creation of Adam, the first man. This scripture show me something very interesting before the third "and." Adam wasn't alive immediately when he was first created. Also, I'll explain how we are a living soul a little bit later.

Gen 2:7

*"And the LORD GOD formed man of dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul."*

I want you to remember and read these scriptures in John 10. I'm going to focus on John 10:30 and John 10:34-35, because I'm just going to show the scriptures that prove who we are. It is during the time when Jesus himself was talking to the Jewish leadership confession he is THE SON OF GOD. Yet, the Jewish leaders were in disbelief. The Jewish leaders were attempting to stone him for blasphemy.

John 10:30

*"I and the Father are one."*

John 10:34-35

*"Jesus answered them, Is it not written in your law, I said, Ye are gods?"*

*"If he called them gods, unto whom the word of God unto whom the word of God came, and the scripture cannot be broken."*

Are you still in doubt that you are a son or daughter of GOD now that it came from Jesus' and GOD's mouth (Psalm 82:6)? Are you too comfortable with the blindfold of lies over your eyes, mind, and soul to accept this? Do you need more proof?

I notice that GOD was deeply involved with bringing a man into this world. HE made the impossible seem normal. HE kept his covenant to not get overly involved on earth like the great flood and others destructed acts. But, most importantly out of these two times HE put a part of HIMSELF in both situations.

The first time GOD put his DNA in Adam. The second time HE did the same thing except HE allowed the natural birth to happen from a virgin. That DNA is our soul. Our soul gives us life on earth which was implied in the Genesis 2:7. It is like gas to a car; or electricity to an electric car. Without it, the engine is useless. Without it, the horse power is always zero. Without it, the speedometer being able to go a 100 mph is nothing but a dream. Our blood is like the oil to a car, but our soul is the gas to the engine. Both are important, but you can drive a car without oil for a while until it affects the other parts. Yet without gas, your oil means nothing.

If that's not good enough proof for you, then let's look at Genesis 1:26. We will find more clues that we are GOD's children. This is during our creation and the creation of the beautiful planet and universe. This scripture is talking about creating Angels or souls that does GOD's good work. In Genesis 2:5, it basically said that there wasn't a man, in a physical body, to take care of the plants that growing wildly in Eden.

Gen 1:26

*"And God said; Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth."*

This occurred before Adam was created in the second chapter. Yet, we all have a soul that is able to go to the paradise called Heaven. Also, our soul has the abilities to spend an eternity in hell. "The breath of life" is GOD's DNA inside of Adam. GOD's DNA is in the angels and demons. But, what determine where you spend your real life after this physical realm is over? It is our decisions and actions that determine where we spend eternity. Even Lucifer was once an Angel in heaven. So I ask you, how are we different? When a newborn has arrived, it has three DNA involved to create that newborn child. One is from the mother. One is from the father. And one is from GOD the creator of all things, whom created our soul. Unfortunately, some newborn are born dead. Yet, the parents DNA is there in the dead child. But, some couple that has issues giving birth to a living child prayed and seeks GOD. After doing this, they finally have a living child of their own.

The soul gives us all life. If a person died due to a heart attack, then giving them a new healthy heart isn't going to work. Our organs are just instrument to keep us living this short life as long as possible. Either we do great things and make a positive impact; Do nothing; or Cause havoc and cause negative impact. The choice is ours. The consequences from our decisions spare no one.

It's time to wake up and accept who you are. You are the child of THE Most High. Anything less is a lie from the enemy. We aren't powerless when the enemies attack our thinking or tempt us to sin. We are sons or daughters of God. If nothing is impossible to God, then nothing is impossible to you.
