Hi Fellow Marketer!

Using a One-Time-Offer is an excellent marketing technique that can make you tons of money! We

all know that.

But imagine being able to make sure that One-Time-Offer is displayed **ONLY ONCE** to each viewer? It is a proven fact that people are more likely to read your offer if they know it's the only chance they'll get. A simple little marketing trick that will almost certainly boost your sales.

And guess what happens when you add a live **countdown** so your visitors know it is a **one-time offer** that will expire automatically, forcing them to decide on the spot?

Well, I've checked it out: I've added both features to my OTO, and guess what... One week later, **my sales had tripled.**

## **PANIC OTO is a simple tool that allows you to create a TIME LIMITED offer that will be displayed ONLY ONCE to each visitor.**

Instead of trying to explain what this software can do for you, I've prepared an example page.
