From: Your Name Here

Dear Fellow Internet Marketer,

I'm sure you've already heard that starting your own membership site can provide great profit potential.

You only have to look at the gurus to know just how lucrative they can be. Can you name a well known internet marketer who DOESN'T run their own membership site?

Exactly.

Let's face it - it's easy to see why having a website which brings you recurring income is pretty appealing...

What You Want To Know Is How You Can Get A Slice Of The Action!

Well I'll get onto that in a moment but first I want to be totally upfront with you about something...

Running a membership site is not all plain sailing.

Sure, the potential profits are great in theory - but things don't always work out quite as well in reality.

"What? You're trying to talk me out of starting my own membership site?"

Nope - not at all. I am just saying that if you want your membership site to be a success you need to know certain things.

I'm sure you've noticed that the number of membership sites online has exploded in the last few years. They are everywhere - but what is sometimes kept hidden by the gurus is that lots of membership sites fail.

Listen. Starting a membership site is not hard within itself. Where people often go wrong is in the little details - and that's where my new book comes in:

Introducing Membership Site Profits...

In this book I'm going to share with you the things you really need to know if you want to make your membership site a success.

Here's a snapshot of just SOME of the things you'll learn inside...
